

Kigali, 9th November 2020

REOPENING OF RUBAVU CAMPUS

Dear parents, guardians, Staff, Students and other stakeholders,

The COVID-19 pandemic prompted the Government of Rwanda through the line Ministry of Education to suspend all face to face teaching and assessment activities from the 16th March 2020 up to September 2020; based on guidance from the Ministry of health to observe the recommended prevention measures in place to prevent and mitigate the risks of spread of COVID-19, Authorization and the assessment report of the Higher Education Council, I am delighted to inform you that the University of Tourism, Technology and Business Studies (UTB)-Kigali Campus has re-opened for face to face teaching and learning activities from October 12th for students who are in Level 3, Level 4 and Level 5 and the re-opening of Gisenyi Campus is scheduled on **Wednesday 11th November 2020**, in a new brand and well furnished campus. Even though we were allowed to re-open both Kigali and Rubavu campus, the Rubavu Campus has delayed to re-open due to finishing and furnishing the new Rubavu campus.

After the physical readiness assessment by the HEC Team conducted at the Rubavu campus and authorization to re-open by HEC, the Management of the University invites and urges students concerned to resume their studies in face to face mode at the date specified above.

The University has established different COVID-19 preventive mechanisms and strategies including installation of mass handwashing facilities, automated hand sanitizers, infrared thermometers, isolation rooms and setup of social distancing measures and signs in different teaching facilities, Campus TV, Students and visitor monitoring system and mounting Health guidelines within the campus to ensure you are provided a good quality education, safety, healthy and conducive learning environment.

Sincerely,

Dr. KABERA Calixte, PhD.
